

Dr. Richard W. Goetz

Dr. Goetz earned a BS in Chemical Engineering and a PhD in Chemistry from the University of Cincinnati. He retired as Research Manager from Millennium Chemical Company after a 35-year career in catalysis research.

Dr. Goetz is a charter member of the Ohio Mathematics and Science Coalition and its Executive Board. He has served two terms as Chair of the Coalition and also as Interim Executive Director. He also was a member of the Princeton City School District Board of Education for nine years, serving five terms as President.

Dr. Goetz's continuing interest in and commitment to education is also reflected in his membership in the Osher Lifetime Learning Institute at the University of Cincinnati where in addition to taking classes he is a member of the Curriculum Committee. He is also a member of the American Chemical Society and Sigma Xi Research Society.
